

## **Steve Murdock, Ph.D.**

Steve Murdock is The Lutcher Brown Distinguished Chair in Management Science and Statistics in the Department of Management Science and Statistics at the University of Texas San Antonio and chief demographer for the Texas State Data Center. He is also the official State Demographer of Texas appointed by Governor Rick Perry and is the first person to occupy this position. He holds a Ph.D. in Demography and Sociology from the University of Kentucky and is the author of 11 books and more than 150 articles and technical reports on the implications of current and future demographic and socioeconomic change. Among his publications are *America Challenged: Population Change and the Future of the United States* and *The Texas Challenge: Population Change and the Future of Texas*.

His work in demographic studies for the state led to his being named one of the “Fifty Most Influential Texans” by “Texas Business. He is the recipient of numerous honors and awards. These include the Faculty Distinguished Achievement Award in Research from Texas A&M University, the Excellence in Research Award from the Rural Sociological Society, and the Distinguished Alumni Award from the Department of Sociology at the University of Kentucky. He is a member of the Phi Beta Kappa, Phi Kappa Phi, and Phi Eta Epsilon national honor societies.
